

PRODUCT DATA SHEET

ISO-TOP WIPES

PRODUCT DESCRIPTION

ISO-TOP WIPES are pre-impregnated, lint-free cleaning wipes with an abrasive side and a soft side for workshop, office, at home or on the go. These moist cleaning wipes quickly and easily remove fresh sealant or adhesive, PU foam and paint from every possible type of surface and tool.

The cleaning wipes can be pulled individually from a resealable dispenser tub and clean very well without the use of additional water or soap.

PACKAGING

4 tubs (of 100 wipes) per carton, perforated wipes on a roll

DIMENSIONS

18 x 36 cm

PRODUCT ADVANTAGES

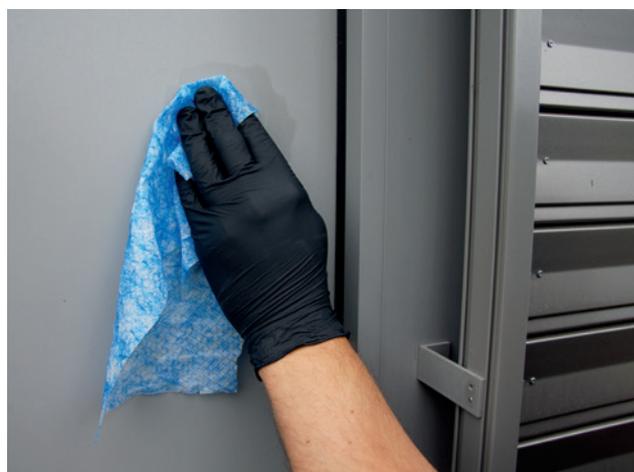

- 100 wipes per tub
- No additional water required
- Ideal on site and in the workshop
